

PRESS RELEASE

It has been Glitter founder Anna Szabo's mission since the start of her company to bring to Glitter's customers the best possible quality products at the best possible price. This has been the motivating factor since the inception of Glitter.

With this in mind it gives us great pleasure to announce that due to continuing favourable exchange rates and improving buying power, we have been able to further reduce our already astonishing prices to a new level.

Although this has come just in time for Mother's Day, quality products with great savings are available everyday through our website or by phone or fax order and the new savings start today!

The retail price for our 8 brush set will be \$145.00 (incl GST + p/h) and the 21 brush set will be \$295.00 (incl GST + p/h). Our individual brushes are also reduced and are available on the [order form](#).

We will always continue to bring on to the market the highest quality and best value products available.

We thank our loyal customers and look forward to providing top quality products at unbeatable prices into the future.
